

Genus-level phylogenetic tree

 Ricardo A. Segovia

Updated date: May 22, 2020

 An abbreviated version of this protocol was published in Science Advances in May 2020

Freezing and water availability structure the evolutionary diversity of trees across the Americas

DOI: 10.1126/sciadv.aaz5373

Detailed protocol

Thanks for the interest!! This is the tree used in the paper. Please, contact me if you need a more complete tree (e.g. with Gymnosperms).
